

REGISTER FOR THE ENTRANCE EXAM BY NOVEMBER 30TH 2020

You are a recent graduate or on your last year of your Master degree (with or without initial professional experience) of an engineering school, business school, university or institute of political studies with a postgraduate degree or specialised masters degree, from France or abroad, join us to discover:

- A young and stimulating environment, recognised for the excellence of its teams and the diversity of its highly-challenging missions in France and abroad.
- A broad scope of banking activities, geographical and cultural diversity.
- An ambitious and demanding path towards rapid promotion.
